

VOLUNTEER INFORMATION

AVENUE PARK TREE PLANTING EVENT

SATURDAY 7TH NOVEMBER | 10AM - 2PM

EVENT DETAILS

On arrival, head to the Trees for Cities marquees and registration area.

All participants must sign-in at the registration table before starting the activity.

- **Activity:** We will be planting young trees in areas with potentially uneven, muddy ground. This activity can involve digging and lifting as well as using simple hand tools and wheelbarrows.
- **Background:** This planting day is part of a larger project to add more trees and contribute to Hounslow's air quality and tree canopy cover goals. The new trees will provide food for the community, environmental education opportunities as well as increase biodiversity and bring benefits to wildlife in the area.
- **Logistics and facilities:** Gloves, tools, supervision and training, free lunch and refreshments. There will be toilets (portaloos), handwashing stations, and drinking water on site. You can come for part or all of the day. Lunch will be served at 1pm.

ACCESSIBILITY

We endeavour to make our events safe and welcoming for people of all ages and abilities. If you have any accessibility questions, please reach out to the event contact provided.
