

VOLUNTEER INFORMATION

WALTON GREEN TREE PLANTING EVENT

SATURDAY 28TH NOVEMBER | 10.00AM - 2.00PM

EVENT DETAILS

On arrival, head to the Trees for Cities marquees and registration area.

All participants must sign in at the registration table before tree planting activities begin.

- **Activities:** We will be planting young trees in areas with potentially uneven, muddy ground. This activity can involve digging and lifting as well as using simple hand tools and wheelbarrows. We will also have other creative activities on offer for all ages, giving you a chance to connect with trees and your neighbours in other ways during the day.
- **Background:** This planting day is part of a larger project to add more trees to New Addington and make Croydon a greener and healthier place to live. The new trees will provide shade, help mitigate flooding and add new colour and shapes to the Walton Green neighbourhood.
- **Logistics and facilities:** Tools, supervision and training, free hot drinks and food. There will be toilets (portaloos), handwashing stations, and drinking water on site.

ACCESSIBILITY

We endeavour to make our events safe and welcoming for people of all ages and abilities. If you have any accessibility questions, please reach out to the event contact provided.

WHAT TO BRING

- **Weather-appropriate clothing** - bring layers and waterproofs just in case! Please bear in mind that anything you bring may get muddy.
- **Strong comfortable shoes** you don't mind getting muddy, like boots.
- To minimise our environmental impact, please bring your own **water bottle/travel mug, a bowl or Tupperware and cutlery** for the free lunch and refreshments.
- If you have a pair of gardening or work gloves you are happy to use, please bring them along. Trees for Cities will provide suitable gloves if needed.
