

HOW IS YOUR SCHOOL MARKING COP26?

In November, world leaders will be meeting in Glasgow, United Kingdom to discuss the future of our planet. This is part of a global UN conference on climate change, called COP26.

GET INVOLVED & MAKE YOUR VOICE HEARD!

We want all children and young people to have a voice at COP26 and are encouraging pupils from our international network of schools to have a say! Is your school or youth club...

PLANTING TREES?

CREATING WILDLIFE HABITATS?

GROWING FRUITS AND VEGETABLES?

KEEN TO START PROTECTING NATURE?

HAVE SOMETHING TO SAY TO WORLD LEADERS?

HERE'S HOW

We want you to share your stories and messages with each other and the world leaders at COP26. Share what actions you are taking to make a difference in your school or community as well as your hopes and ambitions for the future of our planet. These could be simple messages, poems, pictures, videos – or anything else!

Either post directly to your social media accounts with **#GreenerFairerFuture @TreesforCities @The_Lost_Woods_ @COP26** or email your messages directly to **christophero@treesforcities.org**

DID YOU KNOW?

To leave a legacy for COP26 and send a strong message to world leaders that no one is too small to make a difference, the children of Glasgow are planting a new woodland to leave a green, sustainable legacy in the city – The Glasgow Children's Woodland.
